We may generate qualified net interest income or capital gains that may be exempt from U.S. withholding tax on when distributed to foreign stockholders. A RIC is permitted to designate distributions of qualified net interest income and capital gains as exempt from U.S. withholding tax when paid to non-U.S. shareholders with proper documentation. The following table, which may be subject to change as we finalize our annual tax filings, lists the percentage of qualified net interest and qualified capital gains for the year ended December 31, 2020.

Year Ended	Qualified Net Interest Income	Qualified Capital Gains
12/31/20	89.96%	10.04%
